WEAR A POPPY IN MEMORY OF AMERICA'S WAR DEAD

"Wear a poppy in memory of America's war dead!"

This will be the appeal of the women of the American Legion Auxiliary to everyone in Bethel on Poppy Day, May 25. They will be on the streets throughout the day offering the little red flowers of memory to all who will wear them in tribute to those who died for America.

"We hope the whole town will join us in a day of patriotic tribute to those who gave their lives that we might live in this great, free country of ours," said Mrs. Pearlline McMillin, president of Mundt-Allen Unit of the American Legion Auxiliary. "Wearing a poppy is a little thing to do, but a big thing in meaning. That poppy, over your heart means that you remember with gratitude those young men who died in our nation's

defense on battlefields throughout the world.

"While remembering the war dead, we will ask the people of Bethel to think also of the disabled war veterans and the children of the men who served. The Auxiliary's Poppy Day volunteers will carry coin boxes into which contributions for the organization's rehabilitation and child welfare work may be dropped. These contributions are a major source of support for the Auxiliary's continuous activities for disabled veterans and needy children of veterans, most of the money being expended to help veterans and their families here in Bethel."

CARD OF THANKS

I would like to thank all who sent me cards while I was in the hospital and since I came home, also Mrs. Kneeland and my grade school friends for the sunshine box.

CARD OF THANKS

Very sincerely yours,

The original poem by Rev. Alton Verrill was read by Mrs. Verrill.

Mother's Day
Not only one, but every day
Is Mother's Day to me.
If Mother all want on strike,
What would this old world be?

For He who filled the world with good
And gave it all to man,
Made Mother as the choicest gift
To crown creation's plan.

And down through all the passing years
Unfaded is the portion
That they have given to the world
In love and true devotion.

The memory of those childhood days
And mother's soft caresses,
In after years they come again
And soothe and refreshes.

Go search for beauty where you will
Know where you have found her.
I'll be a mother in the home,
Her children gathered 'round her.

He who would paint a masterpiece,
Exalting all the rest,
Must paint a mother in the home,
A baby on her breast.

Though all the world may pass us by,
True as the stars above us,
Our mothers still remain the same
With all our faults, they love us.

Then let us treasure, mother dear,
A true God given treasure,
For she poured out her life for us
And gives without measure.

No while we have a special day
That stands above the others,
Let's also fill the other days
With love and joy for mothers.

HOW MANY BUY AUTO ACCESSORIES?

Five out of every ten buyers of 1956 cars in the low-priced class felt the need for heaters. Seven out of every ten bought V-8 engines. Six bought automatic transmissions and radios. Five purchased whitewall tires. Three in ten added to the bill with back-up lights, two looked at the world through tinted windshields, and one buyer in ten wanted power steering.—Changing Times.
